| Short description | Front aluminum cover plate |
| Material          | Aluminium                  |
| Colour            | Alu                        |
| Length            | 2,000 mm                   |
| Width             | 59 mm                      |
| Hight             | 4.8 mm                     |
| Weight            | 0.500 kg                   |
| Conformance       | CE, UKCA                   |

**P73-12 Front aluminum cover plate**  
Article no. 53081260

| Packing data            |   |
|-------------------------|---|
| Gross weight            | 0.66 kg   |
| Length of packaging     | 45 mm   |
| Packaging width         | 45 mm   |
| Packaging hight         | 2,020 mm  |
| Note                    | Please note that the materials aluminium and PMMA or PC can expand differently with changes in temperature! At a temperature change of 10°C, the coefficient of expansion is approx. aluminium is approx. 0.7mm per metre, for plastic approx. 1.5mm per metre. This is not a defect in the product, this is a normal physical process.                             |
| Disposal at end of life | This product must not be disposed of with household waste. You are obliged, to dispose of such electrical waste separately.<br>By disposing of electrical waste and other old or defective electronics separately, you support recycling or other forms of re-use. In that way you help to take care and to avoid that harmful substances get into the environment. |
