

P36-20 Recessed profile

Article no. 53654260

Tender

Recessed profile, alu anodized. For optimal attachment of the profile this holders are suitable 53010000 53011000 53012000. For connecting of two profiles is the connector 53013000 optimal suited. With the use of profile covers 53402000 53402070 53402080 53432070 the additional mechanical protection and optimal light distribution can be achieved. The associated end cap set is under 53066260 available. Additionally the corner connector 53069260 can easily be used to create a 90 ° angle. Mounting method: Recessed profile, Material: Aluminium, dimensions profile: length: 2.000 mm x width: 30 mm x height: 20,4 mm

Product Benefits

- Available in white, black and anodized aluminum.
 - Up to 4 meters in length in one piece.
- (For deliveries beyond 2000 mm: Please ask for delivery costs separately).
- Large light emission due to height-offset cover.
 - For each cover we offer the matching end caps.

Article data	
Article no.	53654260
GTIN	4251433912828
Series name	P36-20
Short description	Recessed profile
Material	Aluminium
Colour	Silver
Length	2,000 mm
Width	30 mm
Height	20.4 mm
Weight	0.620 kg
Conformance	CE, UKCA

P36-20 Recessed profile

Article no. 53654260

Packing data	
Gross weight	1 kg
Length of packaging	2,020 mm
Packaging width	45 mm
Packaging height	45 mm
Note	Please note that the materials aluminium and PMMA or PC can expand differently with changes in temperature! At a temperature change of 10°C, the coefficient of expansion is approx. aluminium is approx. 0.7mm per metre, for plastic approx. 1.5mm per metre. This is not a defect in the product, this is a normal physical process.
Disposal at end of life	This product must not be disposed of with household waste. You are obliged, to dispose of such electrical waste separately. By disposing of electrical waste and other old or defective electronics separately, you support recycling or other forms of re-use. In that way you help to take care and to avoid that harmful substances get into the environment.
