

Plaster protection

Article no. 53449080

Light.
For Generations.**Tender**

Plaster protection, black. Recessed mounting Mounting method: Recessed mounting.

Product Benefits

- Plastering protection is clicked in after the installation of the tile or dry installation profiles for protection.
- The material Soft-PVC is very robust and withstands the pressure during filling, plastering or painting.
- Our plastering protection prevents the filler, adhesive, sealant, silicone or paint from penetrating into the interior.
- Easy disassembly after work is done.
- Reusable, clean and dry thoroughly after use.
