

## TRAXX MICRO LED semi-recessed spotlight, on/off switchable

Article no. 88774165

### Tender

Round LED semi-recessed spotlight, rotatable and tiltable, switchable, ceiling cut-out Ø 56 mm, installation depth 50 mm, weight 0.200 kg, with rotationally symmetrical narrow-wide beam light distribution. Transparent glass cover, rated luminous flux 1,321 lm, rated wattage 1 x 11 W, neutral white light color, most similar color temperature (CCT) 3,500 K, general color rendering index CRI > 90, service life L80/B50 at 25 °C: 50,000 h, housing material: aluminum, color: textured silver, permissible ambient temperature (ta): -20 °C - +25 °C, protection class (EN 61140): II, degree of protection (DIN EN 60529): IP20. With electronic control gear, switchable.

 Article no. 88774165

| <b>Lighting technology</b>   |            |
|------------------------------|------------|
| Colour temperature           | 3.500 K    |
| Light colour                 | White      |
| Light output                 | Direct     |
| Luminous flux                | 1,321 lm   |
| System efficiency            | 120 lm/W   |
| Colour rendering             | CRI > 90   |
| Reflector                    | High-gloss |
| Beam angle                   | 40°        |
| Light sharing                | Symmetric  |
| Adjustable color temperature | No         |

| <b>Operating technology of the luminaire</b> |  |
|--|--|
| System output                                | 11 W   |
| Voltage type                                 | AC   |
| AC nominal voltage max                       | 230 V  |
| Frequency max                                | 50 Hz  |
| Lamp   | LED  |
| Protection class                             | II   |
| Degree of protection                         | IP20   |
| Control                                      | on/off   |
| Bulb change possible                         | The light source of this luminaire may only be replaced by the manufacturer or a service technician commissioned by him or a similarly qualified person. |
| Rated life time L80/B50 at 25 °C             | 50.000 h   |
| Energy efficiency class                      | nicht erforderlich   |

| <b>Mounting technology</b>  |   |
|-----------------------------|---|
| Mounting method             | Recessed mounting                         |
| Place of installation       | Ceiling-mounted                           |
| Adjustability               | Rotable and pivoted                       |
| Swivel angle                | 90°                                       |
| Rotation angle              | 350°                                      |
| Head adjustable angle       | 90°                                       |
| Further references          | No cover with thermal insulation material |
| Material cover              | Glass transparent                         |
| Suitable for through-wiring | No  |

| <b>Packing data</b>     |  |
|-------------------------|--|
| Gross weight            | 0.258 kg   |
| Length of packaging     | 40 mm  |
| Packaging width         | 40 mm  |
| Packaging height        | 151 mm   |
| Disposal at end of life | <p>This product must not be disposed of with household waste. You are obliged, to dispose of such electrical waste separately.</p> <p>By disposing of electrical waste and other old or defective electronics separately, you support recycling or other forms of re-use. In that way you help to take care and to avoid that harmful substances get into the environment.</p> |
