| Operating technology of the luminaire |                        |
|---------------------------------------|------------------------|
| Voltage type                          | AC                     |
| AC nominal voltage max                | 230 V                  |
| Frequency max                         | 50 Hz                  |
| Lamp                                  | For LED-retrofill lamp |
| Lamp holder                           | E27                    |
| Protection class                      | I                      |
| Degree of protection                  | IP20                   |
| Control                               | Other                  |
| Bulb change possible                  | Yes                    |

| Mounting technology         |                  |
|-----------------------------|------------------|
| Mounting method             | Surface mounting |
| Place of installation       | Ceiling-mounted  |
| Adjustability               | Not adjustable   |
| Material cover              | Fabric           |
| Suitable for through-wiring | No               |

| Packing data            |  |
|-------------------------|--|
| Gross weight            | 1.908 kg   |
| Length of packaging     | 415 mm   |
| Packaging width         | 415 mm   |
| Packaging hight         | 190 mm   |
| Disposal at end of life | <p>This product must not be disposed of with household waste. You are obliged, to dispose of such electrical waste separately.</p> <p>By disposing of electrical waste and other old or defective electronics separately, you support recycling or other forms of re-use. In that way you help to take care and to avoid that harmful substances get into the environment.</p> |
