## **Covers**

Article no. 73404080

| Packing data            |   |
|-------------------------|---|
| Gross weight            | 0.031 kg  |
| Length of packaging     | 105 mm  |
| Packaging width         | 40 mm   |
| Packaging hight         | 40 mm   |
|                         | Please note that the materials aluminium and PMMA or PC   |
|                         | can expand differently with changes in temperature! At a  |
| Note                    | temperature change of 10°C, the coefficient of expansion is approx.                             |
| Note                    | aluminium is approx. 0.7mm per metre, for plastic approx. 1.5mm per metre. This is              |
|                         | not a defect in the product, this is a normal physical process.                                 |
|                         | physical process.   |
|                         | This product must not be disposed of with household waste. You are obliged, to dispose of       |
|                         | such electrical waste separately.   |
| Disposal at end of life | By disposing of electrical waste and other old or defective electronics separately, you         |
|                         | support recycling or other forms of re-use. In that way you help to take care and to avoid that |
|                         | harmful substances get into the environment.  |
