**Customer information on the registration of substances containing SVHCs
in the SCIP database of the European Chemicals Agency (ECHA)**

Dear business partner,

We are registered with the responsible authority, ECHA. Relevant entries have already been made in the SCIP database, and further entries will be added where necessary.

Substances already entered in the database are listed in the attached document.

Kind regards,

S. Siedle & Söhne Telefon- und Telegrafenwerke OHG

Frank Schöndelmaier
Sales Director

Christoph Weber
Managing Director Technics
