### Identification

|                              |                               |
|------------------------------|-------------------------------|
| Category                     | Accessories                   |
| Series of hoods/housings     | Han A <sup>®</sup>            |
| Type of accessory            | Protection cover              |
| Description of the accessory | for bulkhead mounted housings |
|                              | for surface mounted housings  |
|                              | Thermoplastic                 |
|                              | With seal                     |
|                              | With fixing cord              |

### Version

|              |                           |
|--------------|---------------------------|
| Size         | 3 A                       |
| Locking type | Single locking lever      |
| Details      | for mounted female insert |

### Technical characteristics

|                                        |                                            |
|----------------------------------------|--------------------------------------------|
| Limiting temperature                   | -40 ... +125 °C                            |
| Degree of protection acc. to IEC 60529 | IP44                                       |
|                                        | IP65 / IP67 with seal screw 09 20 000 9918 |
| Type rating acc. to UL 50 / UL 50E     | 4                                          |
|                                        | 4X                                         |
|                                        | 12                                         |

### Material properties

|                         |                      |
|-------------------------|----------------------|
| Material (hood/housing) | Polycarbonate (PC)   |
| Colour (hood/housing)   | RAL 9005 (jet black) |

**Pushing Performance**  
Since 1945

## Material properties

|                                           |                              |
|-------------------------------------------|------------------------------|
| Material (seal)                           | NBR                          |
| Material flammability class acc. to UL 94 | V-0                          |
| RoHS                                      | compliant                    |
