

B-LIGHT Power plug with 11-pin socket

Article no. 55080000

Tender

Power plug with 11-pin socket, white. Front-end direct feed plug, socket version for mains connection for modular quick-mounting trunking system for direct electrical feed of compatible 11-pole trunking rails within a linear installation. 11-pole version (halogen-free core cable, 2.5 mm²) with reverse polarity protected plug contact and continuous protective conductor connection (PE), compatible with 11-pole SML trunking rails, with conductor assignment L1, L2, L3, N, PE, DIM+, DIM-, EL1, EL2, EN1, EN2. Plug-based integration without open field wiring. Protection class I in accordance with EN 61140. Protection class IP20 in accordance with DIN EN 60529. Area of application: Indoors., Material: Plastic, .

Product Benefits

- Front electrical feed interface, socket version for direct feed of compatible 11-pole mounting rails (L1 compatible 11-pole mounting rails (L1, L2, L3, N, PE, DIM+, DIM-, EL1, EL2, EN1, EN2).
- Separate conductor routing for L1, L2, L3, N and PE, separate control conductors DIM+ / DIM- for system control. as well as additional conductors EL1, EL2, EN1, EN2 for extended system wiring.
- Reverse polarity protected contacting.
- Protective earth conductor (PE) routed throughout.
- Direct infeed without separate infeed box at the end of the line (depending on project).
- IP20 for indoor use, protection class I in accordance with EN 61140.

**B-LIGHT Power plug with 1 1-pin socket**

Article no. 55080000

Article data	
Article no.	55080000
GTIN	4255752527572
Series name	B-LIGHT
Short description	Power plug with 1 1-pin socket
Material	Plastic
Colour	white
Length	113 mm
Width	50 mm
Hight	15 mm
Weight	0.071 kg

Mounting technology	

Packing data	
Gross weight	0.08 kg
Length of packaging	150 mm
Packaging width	145 mm
Packaging hight	25 mm
Disposal at end of life	<p>This product must not be disposed of with household waste. You are obliged, to dispose of such electrical waste separately.</p> <p>By disposing of electrical waste and other old or defective electronics separately, you support recycling or other forms of re-use. In that way you help to take care and to avoid that harmful substances get into the environment.</p>
