

B-LIGHT Blind cover with rail module

Article no. 55172080

Tender

Blind cover with rail module, black. Aluminum blind cover with integration of a 3-phase track section, 690 mm, for the modular quick-mounting continuous-row system. Tool-free installation using integrated quick-locking mechanism (mechanical latching mechanism) with secure positive and non-positive fixing in the aluminum trunking. With earthing connection for continuous protective conductor routing (PE) in the trunking system. Version for 3 phases, 4 conductors, 3 circuits (3-phase track standard). Compatible with reference systems: Eutrac 99-759; Nordic Global GA69/GA100/XTSA68; Ivela 7601; iGuzzini K777; Unipro A75; Reggiani 2270; Targetti N55...; Zumtobel T12076; STUC-CHI 9009-4/9209-4; Powergear Pro-0440/Pro-0440-S; Philips 9290 014 759 / 9290 028 498; Tridonic7500790. ENEC-certified luminaire adapter/track adapter required in accordance with the relevant track standard. Color: black (RAL 9005) Protection class: IP20, indoor., Material: Plastic, .

Product Benefits

- Aluminum blind cover with integrated 3-phase track, 690 mm (3 phases, 4 conductors, 3 circuits) within the strip light line.
- Tool-free, quick installation thanks to integrated latching mechanism with positive and non-positive in the aluminum trunking.
- Earthing connection for continuous protective conductor routing (PE) in the trunking system.
- Compatible with standard 3-phase track reference systems (list according to tender text) - Project-specific selection of common adapter families possible.
- ENEC-certified
- Modular line configuration: track function segment zones can be provided as a defined section in a linear installation.
- Color: black (RAL 9005).
- Protection class: IP20, indoor.

Article no. 55172080

Article data	
Article no.	55172080
GTIN	4255752527671
Series name	B-LIGHT
Short description	Blind cover with rail module
Material	Plastic
Colour	black
Length	1,438 mm
Width	75.8 mm
Height	51.6 mm
Weight	1.43 kg

Mounting technology	

Packing data	
Gross weight	1.93 kg
Length of packaging	1,458 mm
Packaging width	85 mm
Packaging height	65 mm
Disposal at end of life	<p>This product must not be disposed of with household waste. You are obliged, to dispose of such electrical waste separately.</p> <p>By disposing of electrical waste and other old or defective electronics separately, you support recycling or other forms of re-use. In that way you help to take care and to avoid that harmful substances get into the environment.</p>
