

**Export socket Great Britain,
pure white**

Product Data Sheet

With child-protection	No
Frequency	50-60Hertz
Nominal voltage	250Volt
Halogen free	Yes
Nominal current	13Ampere
Model	British Standard
Connection type	Screwed terminal
Colour	White
Mounting method	Other
Type of fastening	Mounting with screw
Material	Plastic
Material quality	Thermoplastic
Surface protection	Untreated
Suitable for degree of protection (IP)	IP20

6771 GB

**Export socket Great Britain,
pure white**

Export socket "Great Britain" in compliance with British Standard, BS 1363,
with 20 mm mounting depth, double pole, 13 A 250 V

Material No.	Article No.	EAN-code
00602411	D 6771.02 GB	4010105602418
