

**Export socket double pole
pure white, NL****Product Data Sheet**

With child-protection	No
Frequency	50-60Hertz
Nominal voltage	250Volt
Halogen free	Yes
Nominal current	16Ampere
Model	Without protective contact
Connection type	Screwed terminal
Colour	White
Mounting method	Surface mounted (plaster)
Type of fastening	Mounting with screw
Material	Plastic
Material quality	Duroplast
Surface protection	Untreated
Suitable for degree of protection (IP)	IP20

**Export socket double pole
pure white, NL**

Export socket
2-pole, 16 A 250 V~,
1-gang, without grounding

Material No.	Article No.	EAN-code
00260021	H 1900.02 V	4010105260021
