

**Export socket with earth pin**  
**ruby red****Product Data Sheet**

|                                        |                              |
|----------------------------------------|------------------------------|
| With child-protection                  | Yes                          |
| Frequency                              | 50-60Hertz                   |
| Nominal voltage                        | 250Volt                      |
| Halogen free                           | Yes                          |
| Nominal current                        | 16Ampere                     |
| Model                                  | Earthing pin                 |
| Connection type                        | Screwed terminal             |
| Colour                                 | Red                          |
| Mounting method                        | Other                        |
| Type of fastening                      | Mounting with claw and screw |
| Material                               | Plastic                      |
| Material quality                       | Thermoplastic                |
| Surface protection                     | Untreated                    |
| Suitable for degree of protection (IP) | IP20                         |

**Export socket with earth pin  
ruby red**

Export socket with earth pin double pole, 10/16 A 250 V, with front fixing,  
with cover, with increased protection against electric shock and indicator lamp
