Bei Notleuchten ist die Position nach Planung vorgegeben und die Leuchte darf räumlich nicht versetzt werden.

For emergency lights, the position is predefined after planning and the luminaire must not be moved spatially.

Pour les éclairages de secours, la position est prédefinie apres la planification et le luminaire ne doit pas être déplacé spatialement.

Para luces de emergencia, la posición está predefinida después de la planificación y la luminaria no debe moverse espacialmente.
